HOCUS POCUS BINGO

"Amuck amuck amuck"	Lights the black flame candle	Full Moon	Thackery Binx	"BoooOOOO Oook"
Someone mentions yabbos	Family moves for a new job	"Another glorious morning"	Vacuum is used as broom	"I smell children"
Witches visit "Satan's" house	Someone rides a broom		Someone makes a salt circle	Spell book eye opens
"Come, we fly!"	Billy loses a body part	Dead silence	Shadow passes doorway or window	Something pops out
"Aren't you broads a little old to be trick or treating?"	Villain tries to befriend characters	Max's shoes are stolen	"Goodbye cruel world"	"Come Little Children"
